Case number D2001-0558. <AFM.COM>

Dear Ms. Cruickshank:

I have received the Notification of the Appointment of the Administrative Panel.

In the "Case File" that was attached with that Notification there were several correspondences that were omitted, which will perhaps be useful to the Panel regarding this Dispute, and which also may serve to establish precedent for other Domain Disputes. Thus, attached is my record of the "Case File", a version of which may be forwarded by the Center the Administrative Panel.

The May 8th and May 9th correspondences are particularly relevant, as the Center (WIPO) determined that the date upon which the Respondent received the entire Complaint (complete with Annexes) was the Commencement date. Similarly, the date upon which the Panelists receive the entire Case in printed form (Complaint and Response plus Annexes) may be determined to be their commencement date for review.

Finally, I wish to inform the Center, per the Rules for the UDRP Section 2(e) that my contact information for printed matter is currently:
